The Good Old Song

That good old song of Wah-hoo-wah,
We'll sing it o'er and o'er;
It cheers our hearts and warms our blood
To hear them shout and roar.
We come from old Virginia
Where all is bright and gay;
Let's all join hands and give a yell
For the dear old UVA.

*The University of Virginia is grateful to the U.S. Army Training and Doctrine Command Band,
under the direction of LTC Treg Ancelet, for its participation in Final Exercises.*
